

STATE OF TEXAS  
OFFICE OF THE GOVERNOR

The contributions of temporary employees have lasting and positive effects on our state's businesses and economy.

Each day, these members of the Texas workforce provide valuable assistance to public- and private-sector employers. Temporary employment offers many benefits, both to the employers who contract for their services and the temporary employees themselves. Flexible, dependable and reliable, temporary employees possess unique work experiences and gain specialized training through their daily work assignments.

The Texas Association of Staffing will conduct an awareness campaign during the month of September to promote awareness of the contributions that temporary employees and staffing companies make in Texas.

At this time, I encourage all Texans to recognize temporary workers with appreciation.

Therefore, I, Rick Perry, Governor of Texas, do hereby proclaim  
September 14-18, 2009,

## Staffing Employee Week

in Texas, and urge the appropriate recognition whereof.

In official recognition whereof,  
I hereby affix my signature this the  
8<sup>th</sup> day of July, 2009.
